To Whom It May Concern:

Pilgrim Screw Corporation certifies that within the calendar year of 2008 more than 50% of our purchases of “specialty metals” as defined by 10 USC 2533b are or will be made from domestically melted “specialty metal” as defined in 10 USC 2533. Therefore, we consider the commercial fasteners produced by our company to be in compliance with 10 USC 2533b(h)(3), that is, “DFARS Compliant.”

Respectfully,

Geoffrey Grove
President
