Doc Ctrl #: DFARS SMC10

January 21, 2010

Ref: DFARS Specialty Metals Certificate

Tie Down Technologies, LLC, manufacturer of the Talon Fastener, Talon Receiver, Tarmac Air Craft Tiedown System (TACTS), Platform Air Craft Tiedown System (PACTS), Shelter Tiedown System (STS), Intermodal Rail Systems (ImRS), and the Emergency Preparedness Tiedown System (EPTS), certifies that within the calendar year of 2010, more than Fifty percent (50%) of our purchases of Specialty Metals, as defined by 10 USC 2533b, are or will be made from domestically melted specialty metals as defined by DFARS 252.225-7008 - Restriction on Acquisition of Specialty Metals and 252.225-7009 - Restriction on Acquisition of Certain Articles Containing Specialty Metals. Therefore, we consider any products produced by Tie Down Technologies, LLC to be in compliance with 10 USC 2533b.

Any products manufactured by Tie Down Technologies, LLC can be supplied DFARS compliant certificates upon request. Applicable supporting documentation will be made available to appropriate parties upon written request and referencing specific customer purchase order within Thirty (30) days of notice receipt.

If you have any questions at all, please feel free to contact me.

Sincerely,

Kelly B. Hall, Sr., BSEE
